

CAT's "Fix a Feral" Program

Do you love cats but are not able to keep one?

Why not help spay or neuter a feral cat?

Would you and your family or friends
like to get together to help spay or
neuter a feral cat?

Would your class, organization, club or business
like to help spay or neuter a colony of cats
in your community?

To find out how you can "fix a feral," or a colony of cats, please contact us at

catactionpei@gmail.com.

Thank you for your support!

The Cat Action Team (CAT) of PEI is a registered charity, working to care for and control (TNR) the feral, stray and barn cat population in the province.
